Search around your home for these items. How many can you find? Say the Spanish word for the item every time you find one! Can you count in your new language?

At Home 2

Draw a picture showing what you would find inside a house.

Label the home words you drew in your room in Spanish or play the audio and point to the home words.

For an extra challenge, draw and label images from other activity sheets. For example, if you've learned about family members, you can draw and label a family.
