 Listen to the outdoor words.

 Trace the German words.

|                                                                                     |              |                  |                  |
|-------------------------------------------------------------------------------------|--------------|------------------|------------------|
|  | the bird     | der Vogel        | der Vogel        |
|  | the ladybug  | der Marienkäfer  | der Marienkäfer  |
|  | the bee      | die Biene        | die Biene        |
|  | the squirrel | das Eichhörnchen | das Eichhörnchen |
|  | the tree     | der Baum         | der Baum         |
|  | the flower   | die Blume        | die Blume        |

Take a nature walk and draw what you see. Can you find any new words?

Label the words or point to the word and say it out loud.
